Our Remuneration

General Insurance

Our normal remuneration is in the form of commission from the insurance undertaking or premium finance provider with whom the business is placed. In certain situations, we may charge a brokerage fee for our services (see Scale of Fees below). If a fee is to be charged, the amount will depend on the type of product and time spent researching markets. The amount of any fee will be clearly shown on the relevant quotation or invoice/renewal notice. In the event that fees or charges are payable to a third party in connection with arranging or renewing cover, these charges will be disclosed and will be payable by you.

General Insurance Scale of Fees

We may amend these fees depending on time spent and/or if the complexity of the product or item of business requires a higher fee to be charged. We will confirm and agree any higher fees with you in advance of any increased fee being charged. Once the insurance has been arranged, any fees paid are non-refundable.

Life Assurance, Pensions and Investment Business Broking

We can give you a choice of different life and pension products from the insurance companies with whom we hold appointments. On your instruction we can receive and transmit orders for such products on your behalf to these Insurers.

With your agreement we may review the policies you take out on a periodic basis to ensure you are kept informed as to their benefit and to check whether they are still suitable for your needs. We will also assist you with any queries you may have in relation to the policies or in the event of a claim during the life of the policy. We will explain to you the various conditions, restrictions and exclusions attached to your policies. However it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the cover.

We may be remunerated by the insurance companies to whom orders are transmitted. Details of these payments will be included in a product information document which you will receive before an application for a product is completed and extended details will also be included with your policy document pack. If we act for you on a non-commission basis, we will charge a fee to be agreed with you in advance. The fee will depend on the complexity of the transaction and time spent on market research. In the event that fees or charges are payable to a third party in connection with arranging or renewing cover, these charges will be disclosed and will be payable by you.

It is in your best interests that you review on a regular basis the products which we have arranged for you. As your circumstances change your needs will also change. You must advise us of any change and request a review of the relevant policy so that we can ensure that you are provided with up to date advice. Failure to request a review may result in you having insufficient insurance cover and/or inappropriate investments.

In all cases, regardless of the class of insurance, if agreed fees are not remitted to us, we reserve the right to take legal action to recover same.

A summary of the details of all arrangements for any fee, commission, other reward or remuneration paid or provided to us which we have agreed with insurers or product producers is available on our website, www.obf.ie.

Handling of Money

We can only accept premiums from clients in accordance with Section 25G of the Investment Intermediaries Act 1995. Payments must represent either (i) renewal of an insurance policy which has been invited or (ii) a proposal which has been accepted by an insurance undertaking. Receipts for money received will be issued in all cases.

Rebates

Where a premium rebate is due from an insurance company or underwriter, we will issue the rebate within 5 working days of receiving the rebate confirmation from the insurer. All other premium rebates will be refunded without prior contact with the client either by electronic fund transfer or rebated to the client's credit/debit card. The latter option only applies where the client paid the premium by credit/debit card. Refund cheques are only issued on request.

Where we do not have the client's bank account or credit/debit card details, we will contact the client to ascertain how they wish the refund to be made.

Claims

Lloyd's Insurance Company S.A.

All claims under those classes of business where the provider is Lloyd's Insurance Company S.A., **with the exception of Medical Malpractice Insurance**, are dealt with by our appointed claims handler, OSG Vericclaim, Merrion Hall, Sandymount, Dublin 4. In the event of a claim arising, you should notify OSG Vericclaim directly. They will advise you of their requirements for submitting the claim and will communicate directly with you during the claims process. OSG Vericclaim can be contacted by phone on 01-2611529, by fax on 01-2611413, by email at info@osg.ie or via their website, www.osg.ie.

All Other Classes of Business

Claims under all other classes of business, including Medical Malpractice Insurance, should be notified directly to us. You are free to appoint a loss assessor to act on your behalf at your own cost/expense. You must notify us of the occurrence of an insured event or of a claim within a reasonable time, or otherwise in accordance with the terms of your contract of insurance. You must co-operate with the insurer in an investigation of an insured event, including responding to reasonable requests for information in an honest and reasonably careful manner. If you become aware after a claim has been made of information that would either support or prejudice the claim, you must disclose it. The insurer is under the same obligation.

If you make a false or misleading claim in any material aspect, and you know it to be false or misleading or you consciously disregard whether it is or not, the insurer is entitled to refuse to pay and to terminate the contract. The insurer must advise you that the contract is being terminated. The termination will be deemed to have taken place from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim submitted after the date of the fraudulent act and will be under no obligation to return any premium paid under the contract.

If in respect of an insurance contract, the insurer is not obliged to pay the full claim settlement amount until any repair, replacement or reinstatement work has been completed and specified documents for the work have been furnished to the insurer, the claim settlement deferment amount cannot exceed

- 5% of the claim settlement amount where the claim settlement amount is less than €40,000 or
- 10% of the claim settlement amount where the claim settlement amount is more than €40,000

A Court of competent jurisdiction can reduce the amount payable under a claim where you have been in breach of your duties under the policy, in proportion to the scale of the breach involved.

Conflict of Interest

It is our policy to avoid any conflict of interest when providing services to our clients. Where an unavoidable conflict of interest arises, we will advise you of this before proceeding to provide any service. If you have not been advised of a conflict of interest, you are entitled to assume that none exists. A copy of our Conflict of Interest Policy is available on request.

Failure to Pay

We reserve the right to issue cancellation instructions to a Product Producer in the event of any of the following :

- non-payment of a premium due on inception, renewal or following a policy alteration
- your bank returning a cheque unpaid for any reason
- failure to meet an agreed premium payment or finance plan.

Sustainability Considerations

When providing advice, the firm considers the adverse impact of investment decisions on sustainability. As part of our research and assessment of products, the firm will examine the Product Providers' literature to compare financial products and to make informed investment opinions concerning the environmental, social and governance qualities of investment products. The firm will at all times act in the client's best interests and keep clients informed accordingly. The consideration of sustainability risks can impact on the returns of financial products.

Disclosure of Information

Please note it is essential to make a full disclosure at all times of relevant facts including, where appropriate, your medical details or history and any previous claims made by you under the type of insurance being sought. An insurer may refuse a claim under a contract of insurance where there is a change in the risk insured, including as described in an "alteration of risk" clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a "material change" will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the contracting parties when the contract was concluded.

Failure to disclose all relevant information could result in

- i) Your policy being cancelled
- ii) A claim not being paid
- iii) Difficulty in purchasing insurance elsewhere
- iv) A breach of terms and conditions attaching to any loan secured on a property.

Cancellation

You can cancel your policy within 14 days of receiving notification that it is in force and receive a full refund of premium and fee, less the cost of the premium for the period of cover. If you cancel your policy outside of this 14-day period, you will be charged a proportionate premium for the period of cover and no fee will be refunded. For life assurance policies, this cancellation period is 30 days.

If you wish to cancel your policy, you must send written notification to us. For Private and Commercial Motor Insurance, you must return your Certificate of Insurance and Motor Insurance Disc to our office before your policy can be cancelled. *The circumstances under which an insurer can cancel cover are set out in your policy document which we strongly encourage you to read.*
